

# THE GRADUATE READINESS AUDIT

A comprehensive assessment tool for academic leadership to measure institutional alignment with global employment standards.

## Section 1: Technical & Digital Proficiency

Rate your current curriculum readiness on a scale of 1-5:

- Strategic LinkedIn optimization and professional networking visibility.
- Digital brand engineering and "Entity" identification.
- UX-centric professional document design and portfolio development.

## Section 2: Professional Etiquette & Engagement

- Adherence to global high-stakes professional communication standards.
- Cross-cultural stakeholder navigation and emotional intelligence.
- Public speaking and presentation readiness in a corporate context.
